A Caution Concerning Forward-Looking Statements

Statements in this annual report with respect to Omron's plans, strategies and benefits, as well as other statements that are not historical facts, are forward-looking statements involving risks and uncertainties. Important factors that could cause actual results to differ materially from such statements include, but are not limited to, general economic conditions in Omron's markets, which are primarily Japan, North America, Europe, Asia-Pacific and China; demand for, and competitive pricing pressure on, Omron's products and services in the marketplace; Omron's ability to continue to win acceptance for its products and services in these highly competitive markets; and movements of currency exchange rates.

Definition of Terms

All references to "Omron" and "the Company" herein are to Omron Corporation and consolidated subsidiaries and affiliates.
