   Regarding the Selection of Audit & Supervisory Board Members with Knowledge of Finance and Accounting
   • Mr. Hideyo Uchiyama, an Audit & Supervisory Board Member (Independent), has years of working experience as a certified public accountant in an auditing firm and considerable knowledge regarding finance and accounting.

   Regarding the Selection of Audit & Supervisory Board Members (Independent) with a High Degree of Independence
   Please refer to the Relationship with the Company (2) section on page 10 and “Matters relating to independent officers” in the Independent Officers section for more information.
3. Limited liability agreements
The Company has established a provision in its Articles of Incorporation regarding the limited liability agreements the Company enters into with its Outside Directors and Audit & Supervisory Board Members (Independent) with the approval of the shareholders, in order to ensure that these officers can adequately fulfill their duties and responsibilities. Accordingly, the Company has entered into limited liability agreements with Mr. Takehiro Kamigama, Ms. Izumi Kobayashi, Mr. Yoshihisa Suzuki, Mr. Hideyo Uchiyama, and Mr. Tadashi Kunihiro, under which each of these officers’ liability shall be limited to JPY 10 million or to the minimum amount of liability prescribed in Article 425-1 of the Companies Act, whichever is higher.
3. Reasons for OMRON’s Selection of its Current Corporate Governance System

The Company has chosen to adopt the organizational structure of a “Company with Audit & Supervisory Board.”

Board of Directors strives toward sustained improvements in the OMRON’s Group corporate value by exercising oversight functions over the overall management through the election of Directors, Audit & Supervisory Board Members and Executive Officers; the determination of compensation for Directors and Executive Officers; and making important operational decisions.

Audit & Supervisory Board and the Audit Supervisory Board Members work to secure the integrity of the OMRON Group and the sustained improvement of corporate value by conducting audits on legality and appropriateness of Directors’ duties, and the fulfillment of Board of Directors’ oversight obligations. In addition, each Audit & Supervisory Board Member can exercise his/her authority on his/her own as a single-person organ in which the power of final decision-making is given to one person. This allows them to play a crucial role in strengthening internal controls.

Furthermore, to enhance the oversight functions of Board of Directors, four voluntary advisory committees are attached to Board of Directors. CEO Selection Advisory Committee, Personnel Advisory Committee and Compensation Advisory Committee are chaired by an independent outside director, and the majority of each committee should be composed of independent outside director. The President & CEO does not belong to any of these committees. CEO Selection Advisory Committee, in particular, is dedicated to the deliberation and nomination of candidates for CEO, which is the top-priority matter in management oversight. In addition, Corporate Governance Committee, established for the purpose of enhancing corporate governance, is also chaired by an independent outside director, and exclusively comprises an independent outside director and Audit & Supervisory Board Members (Independent). Through these unique initiatives, the Company has established and adopted a system that enhances the transparency and objectivity of management’s decision-making process.

By incorporating the best aspects of the corporate governance system of a so-called “Company with Committees (Nomination, etc.)” in this way, we have created the kind of hybrid corporate governance structure that we feel is most appropriate for OMRON as a Company with Audit & Supervisory Board.

To strengthen constructive dialogue with investors, we will describe our implementation status in addition to policies regarding the following principles stated in the Corporate Governance Code.

1. **CEO Appointment/Dismissal [Supplementary Principles 4-3 (2) (3)]**
   Board of Directors takes the appointment and dismissal of the CEO as one of the highest-priority matters in management oversight. Accordingly, the CEO Selection Advisory Committee, dedicated to the nomination of candidates for the CEO, annually evaluates the performance of the CEO and nominates candidates for the CEO based on the results of the evaluation, thereby maintaining the transparency, objectivity, and timeliness of the CEO appointment process. As such, the Company annually appoints a CEO for the succeeding fiscal year based on the evaluation reflecting the Company’s business results, etc. and thus has established a system for deliberating the re-appointment or dismissal of the current CEO based on the business results, etc.

2. **Director/Executive Officer Appointment/Dismissal [Principle 3-1 (iv)]**
   Board of Directors takes the appointment and dismissal of directors/executive officers as one of the highest-priority matters in management oversight. Accordingly, the Personnel Advisory Committee annually evaluates the performance of directors/executive officers in accordance with the criteria for selection, and nominates candidates for directors/executive officers based on the results of evaluation. By doing so, the Company has established transparent, objective, and timely procedures for appointment. As such, the Company annually appoints directors/executive officers for the succeeding fiscal year based on the evaluation reflecting the Company’s business results, etc., and thus has established a system for deliberating re-appointment or dismissal of the current directors/executive officers based on the business results, etc.

3. **Policy and Procedures for the Election of Directors and Audit & Supervisory Board Members [Principle 4-11 (1)]**
   **[Thoughts behind the Composition of Board of Directors]**
   In order to strengthen the supervision function of the Board of Directors, at the Company, management oversight and business execution are kept separate, and a majority of the Board of Directors shall consist of Directors who are not involved with business execution. In addition, at least one-third of the Board of Directors shall consist of Outside Directors. Regarding Outside Directors and Audit & Supervisory Board Members (Independent), from the perspective of ensuring their independence, they are elected in accordance with the Company’s “Independence Requirements for Outside Executives.” Based on the above, regarding Directors and Audit & Supervisory Board Members who make up the members of the Board of Directors, the Company shall select human resources who possess experience, specialized knowledge and insights necessary for the realization of the management vision, thereby ensuring sufficient diversity in the Board of Directors.

   **[Nomination Procedures for Candidates for Directors/Audit & Supervisory Board Members]**
   The Company has established the Personnel Advisory Committee to enhance transparency, objectivity, and timeliness in the nomination process of candidates for Directors and candidates for Audit & Supervisory Board Members. The nomination procedures begin as follows: The Chair of the Board of Directors requests a consultation with the Personnel Advisory Committee regarding candidates for Directors. The Committee discusses the candidates and makes recommendations in accordance with the Company’s election criteria. For Audit & Supervisory Board Members as well, the Personnel Advisory Committee discusses and recommends their candidates in accordance with the election criteria, in response to a request for consultation made by the Chair of the Board of Directors, who is entrusted by the Audit & Supervisory Board. Reflecting the Personnel Advisory Committee’s recommendations, the Board of Directors nominates candidates for Directors. Candidates for Audit & Supervisory Board Members will also be nominated by the Board of Directors, with the consent of the Audit & Supervisory Board.
