### **Notice of Dissolution of Overseas Subsidiary**

OMRON Corporation (TSE: 6645, ADR: OMRNY; 'Omron'), a global leader in automation, sensing and control technology, has decided to dissolve its overseas subsidiary, STI Scientific Technologies G.m.b.H, located in Germany. Details are as follows.

#### 1. Reason for dissolution

Scientific Technologies G.m.b.H was originally established by Scientific Technology Inc. (now, Omron Scientific Technologies, Inc.) and has been engaged in sales and provision of accreditation services in the European market. However, since the company has not been operational since December 2004 and there is no prospect of it resuming operations in the future, Omron has decided to dissolve the company.

#### 2. Company profile

(1) Trading Name	STI Scientific Technologies G.m.b.H
(2) Location	Freiburg, GERMANY
(3) Representative	Joseph J. Lazzara
(4) Date of Establishment	January 19, 1995
(5) Capital	700,000 euros
(6) Shareholders	Wholly-owned by OMRON Scientific Technologies, Inc.

#### 3. Schedule (subject to change)

August 2007      Resolution to dissolve at said company

December 2007 Completion of liquidation

#### 4. Forecast

The effect to Omron's consolidated and non-consolidated financial results for the fiscal year ending March 2008 will be minimal.
