The OMRON Principles

OMRON founder Kazuma Tateishi resonated with the public nature of business, saying, “A company shouldn’t be just about pursuing profits...it has an obligation to serve society.” In 1959, he publicly announced the OMRON’s Corporate Motto, to improve lives and contribute to a better society. In 1990, we transformed this motto into the OMRON Principles and have since evolved it with the times.

### OMRON Principles

**Our Mission**

To improve lives and contribute to a better society

**Our Values**

- **Innovation Driven by Social Needs**  
  Be a pioneer in creating inspired solutions for the future.

- **Challenging Ourselves**  
  Pursue new challenges with passion and courage.

- **Respect for All**  
  Act with integrity and encourage everyone’s potential.

### Management Philosophy

We believe a business should create value for society through its key practices. We are committed to sustainably increasing our long-term value by putting Our Mission and Values into practice.

- We uphold a long-term vision and solve social issues through our business.
- We operate as a truly global company through our fair and transparent management practices.
- We cultivate strong relationships with all of our stakeholders through responsible engagement.
